POP SHOT!

You might be a fan of frothy pop music – we're not – but we've got to admire Miley Cyrus' knack for keeping her name on everyone's lips. *Wrecking Ball* might not have been in our personal top 3000 songs of the last year, but few pop starlets are as provocative or wankworthy as Miss Miley is right now. And after slipping us some nip in various photoshoots over the last year, she's gone and done it again with some photos in *You Magazine*, complete with oh-so-suckable nipples. I mean, we'd rather it was *The Saturdays* showing us their bumholes, but as that isn't going to happen, we'll keep tabs on Cyrus for the time being...

MONSTER MONEY!

"From within the tufts of matted hair, the creature released a huge pale cock that defied logic...He stroked his cock, while I continued to lave his balls, taking one and then the other in my mouth." Yup, sounds like your average porn story or piece of erotic fiction. But the 'creature' of the paragraph above is Bigfoot, getting his sasquatch sack sucked in a series of novels that are, reportedly, earning their author Virginia Wade a fortune. Wade, no relation to the British tennis legend, sells her *Cum For Bigfoot* series through Amazon. Her contemporary Christie Sims specialises in Dino-porn, with titles including *Taken by the Pterodactyl* and *Ravished by the Triceratops*. They are, of course, appallingly written, badly plotted and utterly ludicrous. They're also lucrative and thus, of course, utter genius.

Historical names for Vagina

There are lots of unattractive slang names for 'vagina', but slang lexicographer expert Jonathon Green has uncovered some attractive ones from centuries gone by. Here are our favourites:

Pornhub Stats

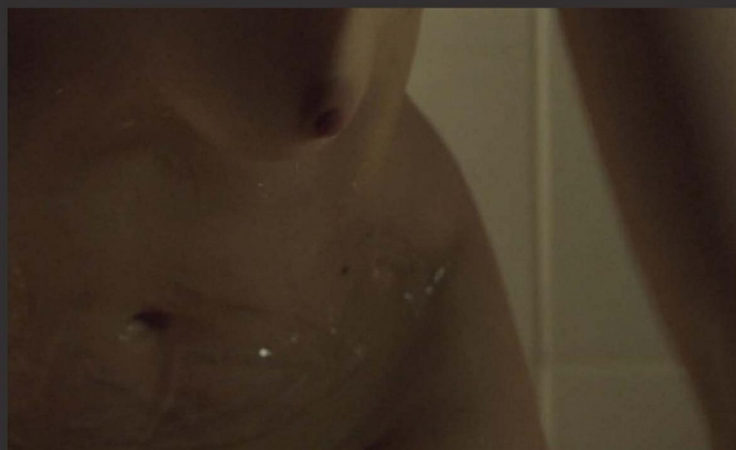

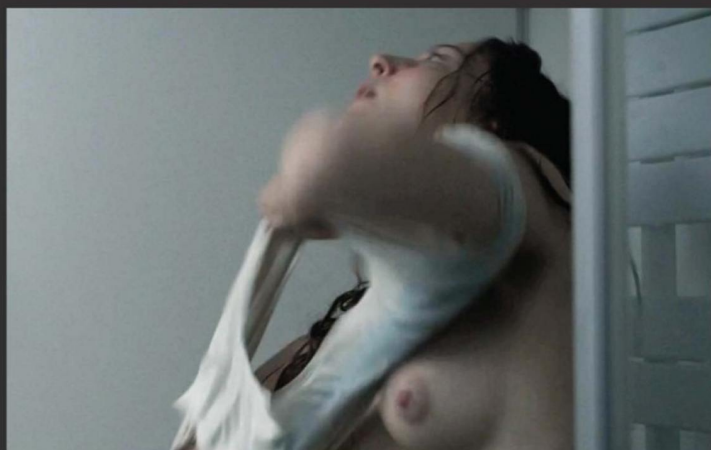

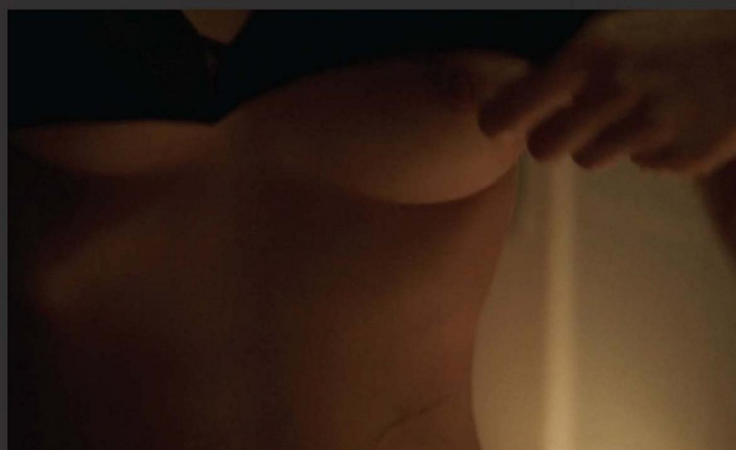

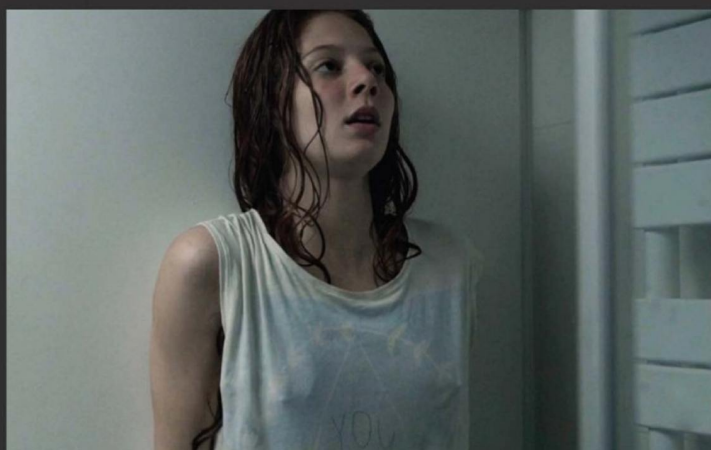

Porn in 2013 was as popular as ever as the latest annual stats from Pornhub show, but just what was the UK and wider world knocking one out to...

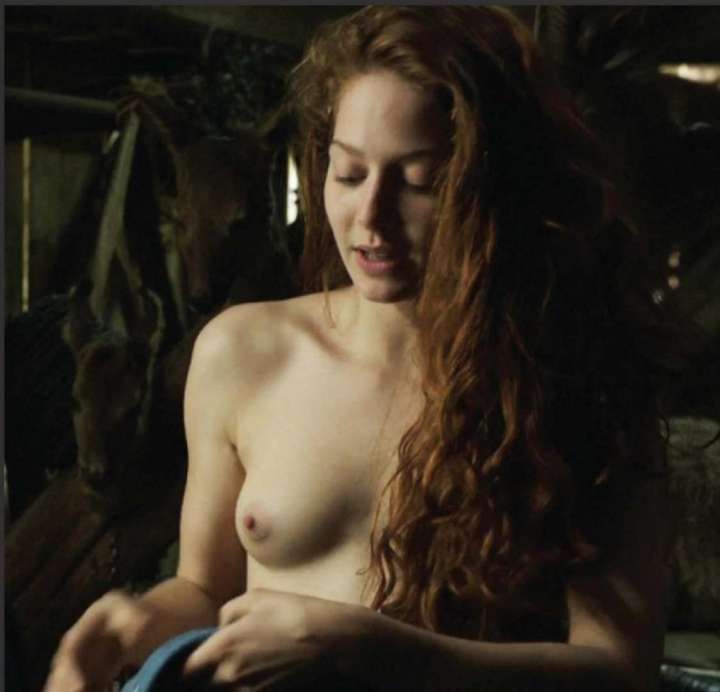

- Top 3 UK search terms are British, Lisa Ann and lesbian.
- Top 3 search terms in the USA are teen, cream pie and MILF.
- Search term "compilation" beat "anal" to reach the top 3 search terms world wide.
- Monday is the UK's favourite day to watch porn.
- The average time Brits spend on Pornhub is 9 minutes, 34 seconds per visit.
- In America, Mississippi is the longest lasting state spending over 11 minutes on the site per visit.
- 43 percent of UK blokes watch Pornhub on a mobile device, opposed to their desktop computer.
- The most watched video on Pornhub in 2013 was Farrah Abraham Teen Mom Sex Tape with over 12 million views.

The French ERECTION

It's not just the Yanks and the Nordics making all the great TV these days. Last year's *The Returned* was a winner, even if the last episode ran out of steam. Best of all? The wonderfully Gallic Jenna Thiam as Lena, troubled hottie with frequent recourse to taking her clothes off. Her co-stars were sexy too, but Jenna has us booking a ticket for the Eurostar right now...

Natalia

WorldMags.net

Natalia kicks off our new look issue by giving you a new look at her bits. They're the same bits, however. Well, they're freshly polished and shaved just for this photo shoot, with Natalia taking forensic care over her fuckhole. Her policy? If it looks good, smells good and tastes good, you'll want to lick it for ever. And we do...

Keisha

Keen fans of UK porn will know that Keisha certainly knows how to light up a screen with her sex appeal. This girl can fuck on film. But can she fuck in real life? Well, it turns out she can. We're not saying how we know, we just do. Let's just say she doesn't need a camera present to give a ten out of ten performance...

Karter

the unstoppable sex machine!

WorldMags.net

She's got crazy fantasies and swallows every drop. Perfect porn star Kagney Linn Kartier opens up to *Adult Sport* about stripping, piercings and how many cocks is too many...

Hey Kagney! You were a showgirl before you started out in XXX movies. How did you find your first year in the biz?

Karter: It was quite surreal, because I worked all the time. I did over 100 sex scenes. Not a lot of girls can work that much, and it's really rare for someone new to have appeared in 100 scenes and end up on over 50 box covers.

Do you remember your first ever sex scene?

Karter: Sure. It was a simple boy / girl fuck for an internet porn site (for production company *Naughty America - The Ed*). In hindsight, it was remarkably easy. I had butterflies in my stomach when I walked in, but the people on the set were so nice, and my scene partner Johnny Sins was both hot and a really good fuck. Overall, it was a great experience. I wish all new girls would have the same positive start.

Were you nervous taking the leap from stripping into hardcore?

Karter: For the longest time I felt a little discouraged because there are a lot of girls that come in and out of the industry, a lot of competition, this and that. But I was able to sustain my name throughout all of that, and little by little I started getting more recognised.

What jobs did you have before you got into the industry?

Karter: I was a hostess my senior year at a Mexican restaurant called Mesa, and I worked at Office Max, that's about it. I started dancing when I got out of high school to move to California. That was it.

A little song-bird told us that you have an amazing singing voice. Why did you choose a career in porn instead of music?

Karter: Well, I tried singing, and I know now that the music world is very cut-throat. In porn, people are generally much nicer. You can be who you are and not be ashamed. Except for a few prima donnas, and people are very easygoing and relaxed, and very helpful to newcomers. In fact, they prefer it if you are new! But I definitely think music will be something I'll pursue again in the future, probably when I settle down and have a chance to come back to it.

Who inspires you musically?

Karter: Mariah Carey and Beyonce are definitely two of my musical inspirations... I know that's so commercial, but Mariah's just so amazing to me, she'll never get old. Some people from the past that also do are Pat Benatar, the Go Go's and the Divinyls. I grew up on all of that. Also, I love blues, so I have a very sultry singing voice.

Who are some of your porn idols?

Karter: I admire girls like Bree Olsen, Nikki Benz and Jesse Jane. They look like me, and they have achieved a lot of success from the way

they have dealt with their careers. I would love to be like them, one day.

Rumour has it that you're well into your women?

Karter: Yeah, I really love women's bodies, their tits and their round arses, I prefer men for the romantic aspect, but I'm also totally perverted, I could just eat pussy and arse pretty much all day and be totally satisfied. Yeah, I'm a giver in bed. I'm a total giver, both to men and women, and when it comes to myself I just love being teased with hands, lips - whatever you got, just tie me up first, that's even better. One of my sexual fantasies is being a sex slave.

Do you have a boyfriend or girlfriend right now, or are you single?

Karter: I'm single, by choice. I date different guys here and there, and I have a fuck buddy. But, for right now, I'm just really focused on my fans, my work, and getting my appearances lined up and going over scripts. I feel like I do want that monogamous relationship one day. You know, with that one person and maybe, who knows, if a family would be in the equation. I just want to make sure I've lived my life first, had my fun, made some money, got it out of my system and then I can focus on being with someone else. But, like I said, I totally get my groove on.

Are you a spitter or a swallower?

Karter: Definitely a swallower! It's mostly for selfish reasons; I hate getting cum all over my

make-up or in my eyes – it stings! So just let me swallow every drop and everybody will be happy.

Can you cum when you're working, or do you have to fake it?

Karter: Mostly I can, actually. I don't get all nervous, like others do. If the guy plays with my pussy for a moment while we are fucking, I usually cum. I'm lucky that way.

What is your favourite sexual position?

Karter: I guess I'm partial to doggie and spooning, but I like all of them as long as I get some clit stimulation along the way. The only position I have a problem with is the pile-driver. It looks great on film, but it's actually very tricky to do right.

Are there any types of sex scenes you prefer doing?

Karter: Definitely the features. I really like getting all dressed up in costumes and I even enjoy having dialogue. Most girls hate it, because it makes the day longer, but I love to do more than just fuck. As far as the sex goes, I'm very intrigued by light bondage and I dabble in it as often as I get a chance to in my private life, so it is particularly fun to

do on set. I'm a very submissive girl. It's a turn on for me to get tied up and fucked.

Before porn, what was the most guys you ever had sex with at once?

Karter: Just two. It was two random guys I picked up at a party. It had been a fantasy of mine for quite some time, to fuck two or more guys.

Did you ever see them after you had that one night?

Karter: Well, they wanted to come back and do it again, but I thought it had been the perfect fuck fantasy so I didn't want to ruin it with a follow up. I'd rather move on to new adventures. Shortly after that, I went into porn.

Have you had more than two guys since being in porn?

Karter: Yeah, I had four. But what you do on porn sets, well, that's just different from fucking in real life.

How was that?

Karter: It was actually a lot of work, trying to coordinate everyone. There are only so many places to put the cocks!

Do you prefer one-on-one?

Karter: I like it, but my favourite scenes are actually boy-girl-girl because I get to play with both.

Do you watch porn when you are at home?

Karter: Sure, I watch porn at home all the time! I love it when I'm really horny, or watching it with guys to get off.

How often do you masturbate?

Karter: At least once or twice per week, and certainly while I'm fucking, too.

How have those closest to you (your family and friends) reacted to your venturing into the adult biz?

Karter: Well, I am single so I don't have to worry about a partner, but my family, friends and people back home have pretty much been there for me since the day I started stripping. They knew years before I even did porn that I was ready to get my feet wet in this industry, but I always wanted to start slowly so they were always very supportive. As long as I'm getting paid, I'm happy and I'm safe, and that's all they care about. They don't need to know all the details, and trust me, I don't want to tell them all the details!

My mother is particularly supportive. When I won my AVN Award, she was ecstatic and didn't sleep the whole night of the award ceremony. She was waiting for my call all night. I finally got a chance to talk to her right after I won. She was so excited when I told her that I had won, she had been lying in bed all night waiting to hear. She was pretty stoked about the whole situation.

You appeared on the front cover of photographer Holly Randall's arty book, *Erotic Dream Girls*, a few years ago (we only mention it as we have a copy!). Was that the first time you had worked with her and how was it?

Karter: Yeah, I had posted an ad, once I had decided to do it, on a site called *Sexy Jobs*. I got a response from her and decided to meet with her. Well, I had no idea that she was a legendary photographer and at first I was really nervous. When I first got there, the receptionist started taking pictures of me and then Holly came down and kind of freaked out over me. She's kind of an over-the-top psychotic, [laughs] but that's just her personality. We became close and we had photo shoots all the time, and that was a giant step towards my *Hustler* cover, which Holly shot as well. So, right away I was

in a good position without even knowing it at the beginning of my career. Holly is *REALLY* nice and we talk quite often. I know Jenna Jameson was close to her, too, and it's very exciting and surreal. Holly is one of the reasons I got into the industry.

You look a bit like Jenna Jameson, now you mention her...

Karter: I hear that a lot, and it's funny that Holly is now shooting me instead of Jenna... I feel a little weird because now it's the next generation, and I get to be a part of all that. It's very flattering. I can't believe I'm being compared to her.

You have an amazing figure, so you must be quite sporty and outdoorsy to keep it?

Karter: Yes, very. I love to play sports. I'm pretty balanced, though. I love going shopping with my girls and doing the whole 'girls' day out' thing just as much as I love going on hikes with friends and spending the whole day outside, going river rafting or bicycling. I just love being outside.

You have your navel and your clit pierced, but a labia piercing is quite unusual. Why did you decide to get it done?

Karter: I had it done while I was still stripping.

Many of the other strippers had clit or labia piercings and I was intrigued. They told me it was an amazing sensation; getting fucked while the piercing moves... and you know what? They were right!

Can you tell us one thing that your fans wouldn't know about you?

Karter: I have nipple hair... honestly, I really do! [laughs]

Finally, do you have a special message for all your fans reading this interview?

Karter: Well, just that I appreciate the support and the commitment they've made following my work. It means so much to me and if they enjoy what I do and find some relief or personal satisfaction out of it, then I am super happy to be doing it.

So pretty much just thank you so much to everybody and look forward to some more fucking, because I've got some good things coming out and some crazy fantasies of mine that will one day be explored! ●

Maria BELLO

Sometimes we feel guilty about reducing the work of fine actresses to the moments when they showed us their tits and arse. But what are you gonna do? It goes without saying that Maria Bello is an ace thesp, but her rep is only enhanced by her boobs-out appearances in *The Company Men* and *Downloading Nancy*. So there!

FAKING it!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

Czechmate!

first time frolics...

My name is Hannah and I'm from the Czech Republic – I hope you find my English acceptable, I did get honours in my English degree after all! I have been modelling for three years now, and in the last six months I have gone from being a glamour girl in solo photo-shoots to doing some hardcore. I've only done a little bit of hardcore so far, and I don't think I will make a habit of it, but I have enjoyed it very much.

It wasn't for the money that I started doing the stronger stuff – I was getting bored of being in shoots on my own, or sometimes with another girl, and I figured it would be fun to share the experience of putting my naked body out there with someone else doing the same thing. I have always watched a lot of pornography and the idea of playing with a man's cock when I had only met him an hour earlier, no strings attached, made me feel very excited. It still does, but let me tell you about my first hardcore shoot.

I was booked in by my agent for a studio shoot with a guy called Stefan, who I'd seen in some hardcore shoots before. It was just stills, no video, and the photographer was a guy I'd worked with many times before,

so I felt very comfortable about it. I was still nervous though. When Stefan arrived I was already in make-up – the only other person present at the studio that day was the make-up girl – and I immediately felt myself get wet at the thought that I'd be fucking him before long. Maybe girls who shoot hardcore day in day out don't get that feeling any more, I don't know, but I was very aroused.

Stefan was polite and friendly, even a little shy. He made us both a cup of coffee while the photographer set up the bedroom set, and chatted with me while the make-up girl fixed my hair. He had been doing boy/girl shoots for years, but said it was always a really treat when he got to work with a new girl, especially one he'd seen in lots of magazines such as me! I was embarrassed that he'd already seen pictures of me, but proud too.

We began the shoot just a few minutes later. I was in frilly lingerie and Stefan was in jeans and a T-shirt. We got into our poses on the bed, and took off items of clothing bit by bit as and when we were told to. I was a little bit clumsy and I kept giggling – it's a lot harder than it looks to make it seem like you're having sex when you have to stay completely still.

When I pulled Stefan's underpants down

he was already very hard. His cock was hot and hard, and I felt tingling go through me when I took it in my hand. Stefan pulled my knickers to one side and pressed a finger into my pussy. I don't think he was expecting me to be as wet as I was, because it slid straight inside and I squirmed against him. His cock twitched in my hand and we tried to keep still, but the sensation was overwhelming. I wanted him to fuck me hard and fast there and then, but I had to keep telling myself to be professional. He started rubbing my clit so I wanked his thick cock, and the photographer told us to slow down. It was so frustrating!

We posed in all sorts of positions – I had his dick in my mouth while he sucked on my cunt, and again we did our best to stay still but it was tough. I wanted to devour him, to make him cum in my mouth there and then, but we were getting the evil eye from my photographer friend.

We then shifted to a sex position and I felt him push the head of his cock inside my dripping wet pussy. Luckily, the snapper needed to move a light so we took it as a chance to fuck properly for a few minutes. Stefan started rocking gently inside me and I pulled him close and made him screw

me hard while the blushing make-up girl watched. Stefan sucked on my nipple while he slid his cock in and out of me, and I felt the first rush of an orgasm building in my body. I didn't want him to stop and I started moaning softly. This urged Stefan on, and he started to fuck me really hard, grinding his pelvis against mine while his mouth clamped to my breast. I bucked my hips against his and felt myself cumming. I didn't care any more that we were in a photographer's studio, that he and the make-up girl were patently watching me get laid in front of them, I just let Stefan thrust into me until I screamed as I orgasmed. I could feel the hot, wet sensation between my thighs as I lost control, and the tingling in my clit carried on for a good minute or so afterwards.

Stefan pulled his dick out of me and kissed me hard. I was embarrassed and couldn't face looking at the photographer or the make-up girl, but within minutes we were back to business. Stefan flipped me over onto all fours and put his dick in me from behind, and we were posing like pros once more. Of course, when you give a girl a good seeing-to like that, she'll only want more, so it wasn't

long before I was pushing myself back onto his cock and gently rocking again as he filled my hole. Stefan slid a finger into my asshole, which gave me a sexy shock, and I started rubbing my clit as he fucked me doggystyle.

This time, the photographer just kept snapping, he didn't tell us off. I guess maybe he was thinking he was capturing more than just models going through the motions, and that his photos were of two real people having a very intimate moment. As Stefan upped the pace of his thrusts, I glanced over at the make-up girl. She was caught red-handed – her hand was under her skirt and her cheeks were flushed red. I smiled at her and went back to the ecstasy of being fucked by Stefan, knowing that the sight of me being fucked by him was giving her pleasure.

After a few more minutes, Stefan started making the sounds of a man who wasn't going to be able to hold it in much longer. I pulled away from him and lay on my back so he could spray his sperm all over my body. He started tugging at his dick while I lay spreadeagled on the bed below him, cupping my tits and holding my mouth wide

open, waiting for it.

Wordlessly, the photographer got into position to capture the moment and I rubbed myself to a second orgasm just as Stefan's cock started spurting thick streams of cum all the way from my pussy to my face. I caught as much in my mouth as I could, spread the rest over my tits and stomach with my free hand, and kept rubbing my clit with the other. I heard the make-up girl let out a moan as she came from the other side of the room, and then Stefan slumped onto my sticky body. We kissed as the photographer backed off to check his shots, and then we started fucking again, this time without being snapped, as he and the make-up girl went off to another room in the studio, to try and emulate the passion they'd just seen, I assume.

I haven't worked with or seen Stefan since. I've done a few shoots with other guys but they weren't quite so intense. I'm hoping we'll be reunited one of these days. We're friends on Facebook, so if we aren't I'll probably drop him a line when I'm drunk and ask him to fuck me again. That's just the kind of girl I am! ●

Elizabeth OLSEN

You might have heard of the Olsen twins, but what of their younger sister Elizabeth? Well, it turns out she's the one who got all the talent. She's brilliant in *Martha Marcy May Marlene* and in the unnecessary US remake of *Oldboy*. Even better, she's prepared to bare her own Olsen Twins with regularity!

Legends of PORN Sharon Mitchell

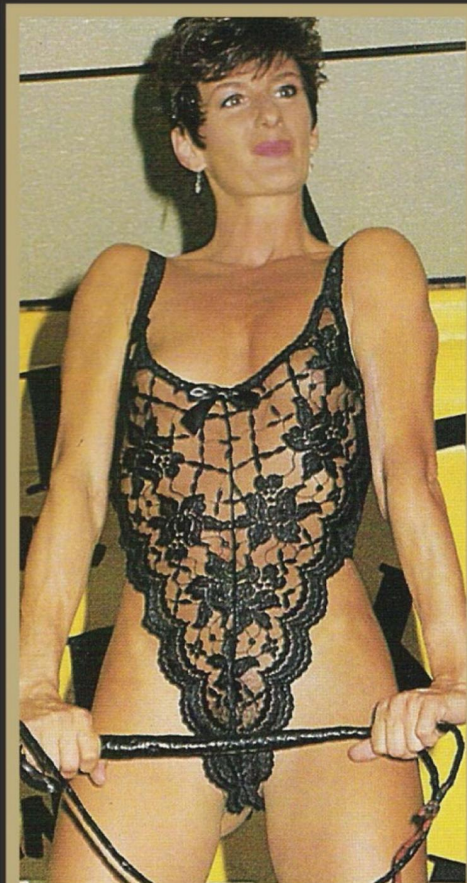

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

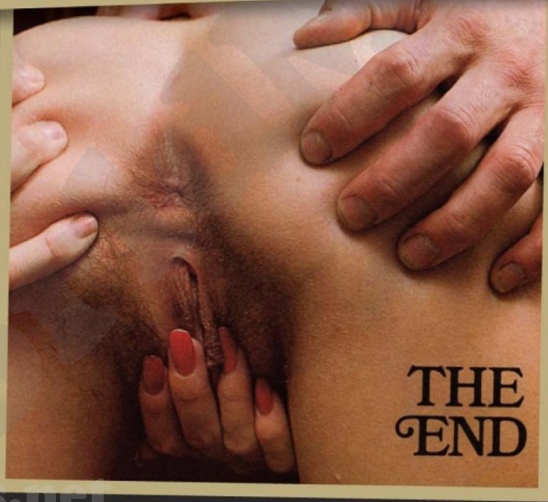

Not many porn legends carve out much of a career when they quit the jizz biz. Many disappear into obscurity, some condemn the industry from which they made a living, and others just keep coming back. Sharon Mitchell, however, was different. She made her debut in porn aged 19, back in 1975, and clocked up over 500 films as a star, directing a further 29. She was still popping up in 2009 in cameos. There was plenty of draining dicks, although she truly excelled in lesbian scenes, with a look that lent itself to being a butch but sexy dyke.

After a career that saw her enter every hall of fame going, she decided to turn her life around, using her former heroin addiction and contraction of herpes, trichomoniasis and Chlamydia while in the industry as a spur. She gained a Ph.D from the Institute for the Advanced Study of Human Sexuality and as Dr. Sharon Mitchell launched A.I.M. – the Adult Industry Medical Health Care Foundation. A.I.M was the industry's testing station for AIDS and STDs and helped hundreds of porn stars do their work safely.

Sadly, all didn't end well for A.I.M. A huge data leak in 2011 revealed the names and STD testing records of over 12,000 stars, and a privacy lawsuit led to A.I.M. filing for bankruptcy. Boo!

Sasha

Sasha Grey is a multi-talented girl. She fronts a trendy band, she's been the star of a Steven Soderbergh film and proved her acting chops on telly. But if we were pushed to choose our favourite bit of her career, we'd say it was the time she was deep-throating cocks and taking them in her tight arse in porn films. Quelle surprise.

HOW TO BE A GOOD FUCK BUDDY

What women really want from a sex friend (other than the obvious!) by Rose Crompton

Unfortunately, these days, there are far too many bullshit agony aunt columns about women that have had their hearts ripped out after a fuck buddy situation got complicated. It's thanks to this that blokes often assume that all women are unable to handle anything casual without becoming emotionally attached at some point. That Mila Kunis and Justin Timberlake film didn't help the cause, but hear this: not every woman is going to fall in love with their Friend with Benefits (FwB) and want to walk him down the aisle. Some of us are only in it for a good time.

"One of my fuck buddy arrangements lasted for about two years. During that whole time, I never imagined having a relationship with him," explains Bryony* from Leicester. "I did the whole, 'yeah I'm into him and wish it could be more' thing in front of friends, because they made it feel like I should, but actually I really didn't want anything more than a fuck. Luckily we were both clear on this, even if my friends weren't." With that now cleared up, we can get to the nitty-gritty of what women actually want from a fuck buddy arrangement...

someone to find me attractive," or "it might become the relationship I've been looking for," or "I just want to be loved," then avoid being anyone's FwB. "Get your self-esteem from within, not from the people you fuck," says Emily Dubberley, founder of Cliterati.co.uk and author of *Brief Encounters*.

HEY, BUDDY!

There's much debate (well, in the circles I move in, anyway!) around whether you should do dinner or drinks before sex with a fuck buddy. Doing social things together could be misinterpreted as an actual 'date' but, equally, women don't want their fuck buddy to be a complete stranger and it's possible to find a happy medium. "A drink or sharing some fries in a bar or pub is fine, but bottles of fine wine, candles and a three course meal is date territory," explains Audrey from South London. "I expect to get to know a him a little and become (sort of) friends with him. After all, there's the word 'buddy' in 'fuck buddy'."

Although you and her may be mates, of a kind, don't expect her to introduce you to her friends and don't be offended by it. "When a

GETTING STARTED

Blokes can just as easily end up falling in love with their fuck buddy, but we'd like you to avoid adding to the agony aunt column inches, so the ideal FwB will have figured out whether they're suited to the lifestyle. Ask: "why am I doing this?" and answer honestly.

If you respond with something along the lines of, "because I want

few of them accidentally met my FwB they all started looking for definitions and to stick an official label on what we were doing. It was either definitely nothing or people were convinced we'd get together," says Laura from Brighton.

This added pressure is potentially a recipe for disaster, so that's why she keeps you to herself rather than show-you off around her social circle.

potentially consider taking things further. More importantly though, he would be perfectly entitled to ask me whether or not I have protected sex with fuck buddy number two," says Audrey.

HIT REPLY

A fuck buddy arrangement is not about playing games. It's about sex. If she texts or calls, asking when you're free, don't wait to reply. "One of my fuck buddies would take minimum three or four hours to reply. Every time. When I confronted him about why this was, he said he didn't want to appear too keen. Like I give a shit! I'm just after sex, not play it cool dating games. This lead to loads of missed opportunities and eventually I got bored that my booty call never led to any booty, so called it off," explains Bryony. Obviously, if there are legit reasons as to why you can't get together at a particular time, then explain that. She'll appreciate the honesty as no one wants to feel like they're being fobbed off.

CUDDLING

To cuddle, or not to cuddle? That's the big post-coitus dilemma. "Sometimes I wanted a bit of touching, a kiss and maybe a little holding each other afterwards and then other times I wanted him to stay on the other side of the bed," says Bryony. Sadly there is no set etiquette on this. The trouble is, some women see hugging as really intimate and affectionate, whereas others don't. The simplest way to navigate this is to ask.

WELL JEL

Some women might choose to have more than one fuck buddy. Can you be cool with that? The ideal sex friend won't get jealous if he finds out about anyone else she's sleeping with. "He's not entitled to be angry, because we're not dating, which should have been made clear from the start," says Audrey, but that doesn't mean we'll ignore it if issues arise. "If he feels hurt, then I'm open to talking about it and

Chesney

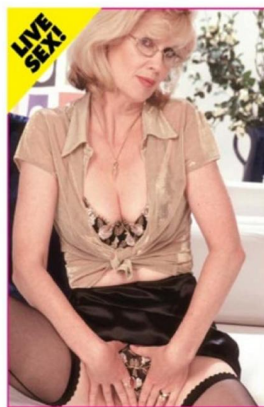

Chesney doesn't appreciate jokes about Chesney Hawkes. She doesn't like you implying she was named after the 'minstrel'. She's prepared to walk off set if you keep talking about it. But she does like dildoes, and she'll happily forgive you if you give her a brand new one and invite her to play with it to her heart's content...

Eva Amurri MARTINO

She might not be a household name, but when has that ever stopped you – or us – from enjoying such a fine figure of a woman as Eva Amurri Martino? She wields a wonderful figure, as her appearance as Jackie in *Californication* attests. But is it any surprise? She's the daughter of Celeb Snatch hall-of-famer Susan Sarandon!

MILF MONITOR!

The Shadow Of A MILF

Starring

Jasmine Jae, Cathy Heaven, Valerie Fox, Holly Kiss, Eva May, Kane Turner, Marc Rose, Demetri xxx, Ryan Ryder, Peter Oh Tool, Deen Van Damme

Directed By

Kendo

Available From

Harmony Films

Something doesn't feel right. We're on the set of a Harmony movie, but there isn't a gas mask in sight. Nor is there much in the way of latex or pony tail butt plugs. And instead of dank lighting, it's actually like magic hour romantic. Yup, Harmony have ripped up the rulebook.

Kendo is the director of this latest from the British studio, and he's bringing a fresh approach. It's more traditional, something closer to a couples movie from Adam & Eve or Wicked. But yet it still feels European, and that's largely down to the range of accents we can hear when we spend some time on set.

We're here to see some sex, more specifically we're here to see Cathy Heaven have sex. We've been on set with her before – she's charming, welcoming and, most importantly, a red hot performer. And even though this is a MILF movie with soft lighting, she's still adamant that her chosen studs are going to put their dicks up her bum.

They oblige, obviously, each sliding his hard prick into every hole in turn and then, as you do, spurting a big load of the creamy white stuff all over her tummy and boobs. It might not be Harmony as we know them, but some things just don't change...

No, for the thousandth time, there isn't any stolen Nazi gold in my pipe. Just some ready rub...

TOBLER-BONE!

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we travel to Switzerland, where we discover it's not all cuckoo clocks and hiding stolen Nazi art...

URSULA ADDRESS

Lucky bleeder John Derek got to marry two certified legends of lust in his lifetime – Bo Derek and Ursula Andress. Ursula, known to many by her apt nickname 'Ursula Undress' is most famous for playing Honey Ryder in *Dr. No*, walking out of the sea in a bikini as the jaws of a generation of men and boys hit the sand. But the babe from Bern got her Alps out in stacks of films – and her downstairs place too! Much of her career was in Euro schlock like *Mountain of the Cannibal God* and *The Sensuous Nurse*, but as she got totally starters in both those, we're not complaining. And as for 1975's *Loaded Guns*? We can pay it no greater tribute than informing you that it made blood rush to the vessels in our penis.

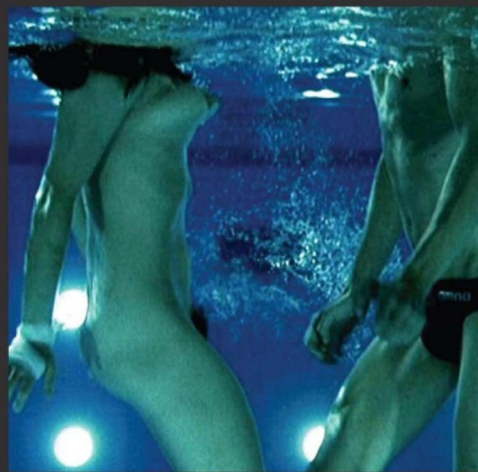

KATHARINA BOHM

Born in Sorengo, Switzerland in 1964, Miss Bohm was a child star who played the lead role in the Austrian production of *Heidi*, shown around the world. How better to escape typecasting and being seen as a washed-up former child actor? Get your boobs out in telly and films. She's probably best known to UK audiences as Livia Burlando in the passable *Inspector Montalbano* series, but boob hunters will want to find films such as 1995's *Fesseln*, 1998's *Gigolo* and the timeless classic *Die Braut Meines Freundes* to see her Alpine milkers freed from their bra. Bonus fact: She's the daughter of Karlheinz Bohm, who played Mark in the classic *Peeping Tom*.

SABINE TIMOTEO

Sabine was born in Bern in 1975, and we've certainly given ourselves a few friction burns over a handful of her scenes. A former award-winning ballet dancer, Sabine moved into films and won awards there too. She also won a big wank from us when we watched her in 2000's *L'amour, l'argent, l'amour* where she showed off the complete package – a package we'd most definitely sign for if our neighbour was out. She repeated the trick in 2001's *In den Tag hinein* and 2013's *Cyanide*. Sadly, she has nothing to do with shampoo...

World of Sort

MELIA KREILING

Melia Kreiling might be from Geneva, but she's far from conventional (yes, we had to). Actually, she grew up in Athens to Greek and American parents, but as she was born in Geneva, and she's really, really fit, we had to crowbar her in here. She used to be a contemporary dancer, but her acting career has taken off. Or, to be more precise, she's taken off some clothes in her acting career and we watched her do it. Her career is still in its infancy – but there's still boobage in the film *Company of Heroes* and on TV in *The Borgias*, where her top twats appear in a scene with Jeremy Irons. So three tits for the price of two...

SANDRA SPEICHERT

We don't know all that much about Sandra Speichert, born in Basel, Switzerland, 1971. But we're not going to let that stop us blindly speculating. We imagine she wakes every day in her cuckoo clock repair shop, pausing in her work only for a bath in melted chocolate, using a Toblerone for a bar of soap. And when she's not doing that, the 43-year-old is nude in loads of films, most of which we can't track down, even on that there internet. But we have seen her bits in 1993's *Profil Bas*, and we're glad to hear she hasn't restricted her rudeness since.

Sonya WALGER

Sonya is a British babe, an Oxford graduate and best known to TV fans as Penny in *Lost*. Which we can't write without hearing Desmond say 'Penny' repeatedly in our minds. But let's move on and enjoy the lovely Sonya's shape in *Tell Me You Love Me*, where her clothes did a disappearing act. Sonya, we love you...

Celeb Snatch.....

Lela

Worldfags.net

The gorgeous Lela Star has the kind of body we really, really want a go on. And why not? She's let various porn dudes have a try of it, all her holes getting a work out in the presence of a camera crew. So, does she fancy a more intimate experience? Just her, us and a load of lube. Plus our mate Dave. Fancy it, Lela? Lela, where are you going...
